

# FROGS

(Friends & Relatives of Grange School)

## Introducing you to your PTA (Parent Teacher Association)

We are a group of dedicated and caring people who enjoy spending time organising and running events to raise valuable money for the children to enhance their learning and experiences at school.

## What we do

These events have included the Christmas fair, summer BBQ, fashion shows, movie nights, discos, bingo family nights, pub quiz nights, and many more special treats over the years.

## How funds raised are helping

These have all helped to fund a range of experiences, treats and resources for the school including the EYFS eggs hatching, transport for school trips, Y6 hoodies and new netball equipment to mention a few. This year we have also managed to donate £4,500 towards the development of the 'Imagination Station', the schools 4D immersive learning space.

## Meet the Team

We look forward to getting to know you over the coming years while having some fun raising funds for the kids, so please feel free to come and say hello. You can find us on the playgrounds, plus we're on Facebook at "FROGS – Grange Primary School PTA".
